## Principal's Message

### Regional Athletics

Fantastic effort for all of our Regional Athletes! They represented Goulburn Public School very well and an extra congratulations to Josh Dennis for making it all the way to State Athletics for High Jump.

### Shine for Girls Program

The 'Shine for Girls' group held a lunchtime meeting and all the girls were able to invite a guest. The group held a beautiful lunch and their guests were thrilled to be able to attend. The girls involved identified their strengths and showed confidence in knowing what it was to be strong and empowered. Thank you to Mrs Chapman for the wonderful work you have done in creating this program!

### Bourke Street Children's Crossing

Our Bourke Street Children's Crossing is a part-time crossing operating before and after school hours. From 8:00 – 9:30am and 2:30-4:00pm, when the flags are out with the words CHILDREN CROSSING, drivers must slow down and stop before the stop line when a pedestrian is on the crossing or waiting to cross and remain stopped until all pedestrians leave the crossing.

### Leadership Team – PBL

### Acknowledgement day

Our PBL Acknowledgement Day is on Friday Week 10. Students are to wear mufti clothes. There will be activities run by the Year 6 students and all students will go home with a surprise at the end of the day! Some students who have recently been on detention will be sent home a letter that says they will have a modified/supervised participation. All students that have this letter sent home are strongly encouraged to come along on Friday as they will still participate in the activities.

## Life Education

Dear Parent/Guardian,

The Life Education van will be visiting Goulburn Public School during Week 10 (Monday 24<sup>th</sup> September to Friday 28<sup>th</sup> September 2018).

This program is a positive, preventable approach to drug abuse and a healthy lifestyle, which emphasises the wonder of the human body.

Each year students from Kindergarten to Year 6 visit the van with their class teacher for an exciting time to learn about their bodies and health.

Life Education does not pronounce what is right or wrong but provides children with information encouraging them to make informed decisions.

Life Education is a non-profit organisation and all the money raised is committed to the primary objective of educating children.

Goulburn Public School will subsidise the cost of the Life Education visit by paying for half of the cost for each student to attend. The cost to each student is \$7.00.

**Only students who attend Life Education will be able to purchase merchandise.**

Please return this note by **Friday, 21<sup>st</sup> September 2018.**

# HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit organisation that relies on the support of the community to assist us in reaching our fundraising goals. Every Harold product purchased helps us visit more children in NSW.

The sale of Harold merchandise to the children whilst the program is visiting each school supports our overall fundraising activities and helps cover the gap between the cost of delivery and what parents and schools pay for our program. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. ***Please DO NOT make online payments to your school. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child's name and class.*** This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit. You can also check out our **NEW** product range online by visiting [www.lifeeducation.org.au/shop](http://www.lifeeducation.org.au/shop)
