**Term 4 - Week 6**

## Principal's Message

### Aboriginal Education

This term at Goulburn Public School an Aboriginal Education program has been developed and implemented across K-6 classes. The students have an opportunity to learn about Aboriginal culture, histories and experiences. Our K-2 students have been exploring Aboriginal understanding of the world, it's creation, and its great stories through Aboriginal Dreamtime. The Aboriginal people believe that the earth and everything in it was made by their ancestral spirits. This is called the Dreamtime or the Dreaming. It was a time when the rivers, mountains, rocks, deserts and plants were made. The Dreamtime stories are an important part of the Aboriginal culture. Our Stage 2 students are developing an understanding of 'Acknowledgement to Country' so that they can show awareness of and respect for the original Indigenous custodians of the land on which events are held. Stage 3 have been exploring the Aboriginal traditions of using the land as a sustainable resource for survival. Students are enjoying these lessons!

### Leadership – Round 2 students

Congratulations to the students who have progressed to Round 2 of the 2019 Leadership process. These students are now busy with preparing their next speech. Parents and family are welcome to attend our leadership speeches on Wednesday 5 December.

### Term 4

As the last few weeks of school become busier towards the end of the year, it is really important that routines at home continue to be valued. Routines such as getting organised in the morning with clothes and school food, bath time and bed times are vital as they let your child know what is important to your family. Children benefit in ways such as safety and belonging, skills and responsibility and healthy habits!

Sharyn Cox

Relieving Principal

## PBL FOCUS
