Principal's Message

Well done Year 5 Leaders!

Last Wednesday, our aspiring Year 5 Leaders gave a speech as part of our School Captain and Vice-Captain 2020 process. These Year 5 students spoke confidently and clearly outlined all of the reasons that they would make a great Leader at our school. Students informed the school about how well they have been following our school expectations, how they help other students and how grateful they are for the opportunity to represent our school. Their speeches were outstanding and they will have another opportunity to speak on Wednesday 27 November, before our school voting process. Our 2020 School Captain and Vice-Captains will be announced at our Presentation Day on Monday 16 December. Good Luck in the next round!

Tell Them From Me survey

In the student 2019 Tell Them From Me Survey, it was positively acknowledged by Year 4, 5 and 6 students that during lessons, their teachers: tell them what is expected in lessons, the teachers set clear goals, teachers asks students to explain answers and they ask great questions. These results are very pleasing for our school and shows the effort teachers put into making lessons at our school engaging.

Healthy Kids Bus Stop

We are proud to be hosting 'Royal Far West – Healthy Bus Stop' at our school next week. Over three days, children in the Goulburn area have made screening appointments to access a range of medical professionals. In addition to these screening appointments, an Occupational Therapist from Royal Far West will be giving an information session '**Understanding your child's behaviour**'. This information session is free and is being held on Monday 18 November at 5:30pm in our school Library. It is essential that you book a place at this worthwhile event. Please contact our Front Office to RSVP on 4821 2827.
