In this booklet you will find something to sing, something to read, something to listen to, something to make, something to colour, something to look for, something to cut, something to trace and something to draw.

Enjoy exploring . . . . . BUGS

I would love to see the wonderful work you are doing at home so please share it and any feedback with me.

email photos and feedback to - janet.gordon@goulburn.nsw.gov.au

Please share with your friends and encourage them to join us at Playgroup when we are back to normal.

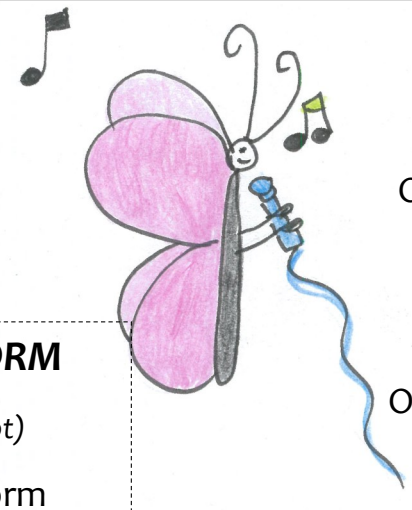
Something to SING



5 LITTLE BUTTERFLIES

Five little butterflies by the door

One flew away, then there were four

Four little butterflies by the tree

One flew away, then there were three

Three little butterflies up in the blue

One flew away, then there were two

Two little butterflies out in the sun

One flew away, then there was one

One little butterfly now all alone

She was so lonely, she flew home

LITTLE WIGGLE WORM

(tune : I'm a little teapot)

I'm a little wiggle worm

Watch me go!

I can wiggle fast

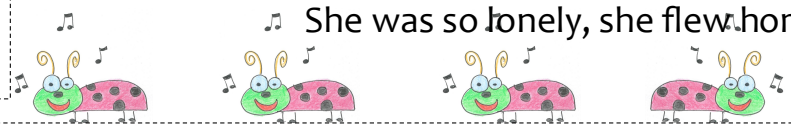
Or very very slow

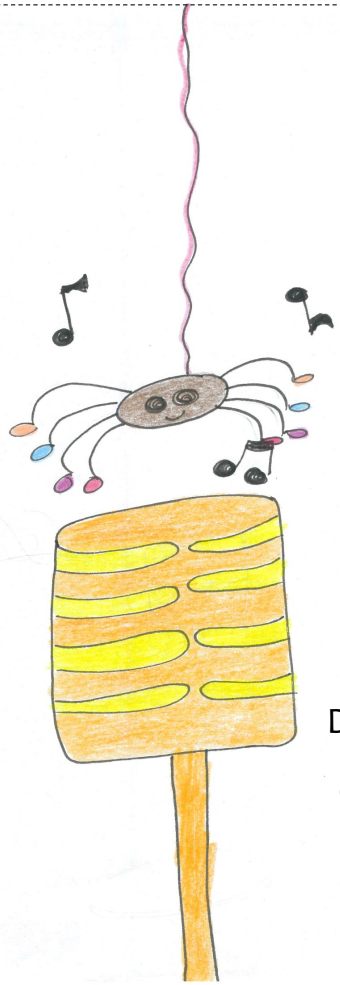
I wiggle all around

Then back I go

Down into the ground

To the home I know





BEETLES IN THE BASIN IN THE BATHROOM

Beetles in the basin in the bathroom

Green and black and blue,ue,ue,ue

Beetles in the basin in the bathroom

I'm in the bathroom too

How embarrassing

I'm in the bathroom too

INCY WINCY SPIDER

Incy Wincy spider climbed up the water spout

Down came the rain and washed poor Wincy out

Out came the sunshine and dried up all the rain

Incy Wincy spider climbed up the spout again

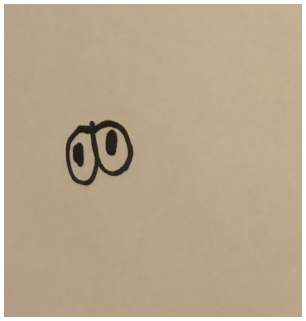
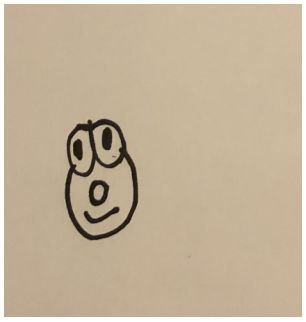
Something to MAKE

BEETLE IN THE GARDEN

You will need:

* Green paper (for the grass)
* Square piece of cardboard (any colour for the background)
* Pencils, textas or crayons
* Piece of paper
* Scissors
* Glue

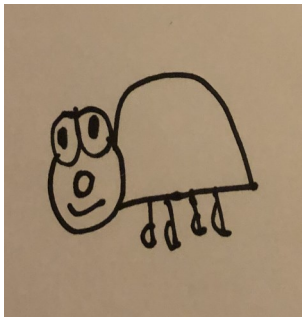




1) On your piece of paper draw a beetle starting with it's eyes, add head, nose and mouth, draw a body and legs, add spots and antennas, now colour it any bright colours you like.

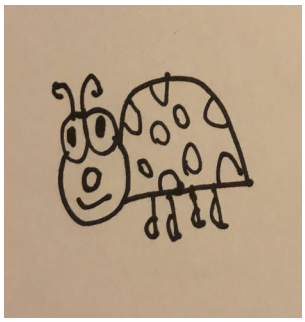
2) Cut around your beetle.

3) Cut you green paper into grassy looking strips.



4) Glue your grass on to your square piece of cardboard.

5) Think about which pieces of grass your beetle would like to live near, then glue him there



***** If you have enough space, you could add more beetles or ants or a butterfly *****
