Let's sing

Scientific Method Song

Tune : Twinkle Twinkle Little Star

Ask a question, make a guess
That's called a hypothesis.
Plan a fair test do the steps,
Look and see just what you get
Make a conclusion and repeat
Being a scientist is really neat!

Our Science Song

Tune : Mary Had a Little Lamb

Can we learn something
New about our world,
New about our world,
New about our world ?
Can we learn something
New about our world and
Can we make a guess ?
HYPOTHESIS!
Can we then
Find out if it's true,
If it's true,
If it's true ?
Can we then find out if it's true
Through an EXPERIMENT ?
EXPERIMENT !

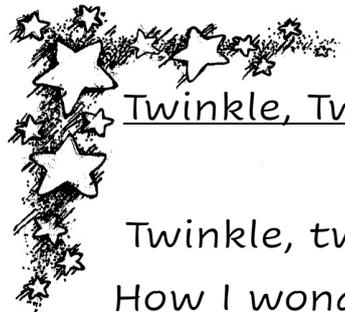

The Weather Song

Tune : Twinkle Twinkle Little Star

Weather, weather
What will it be
Is the sun out
Or will it rain on me

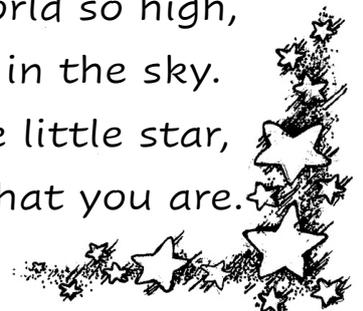

It could snow
Or be windy, too
The sky might be cloudy
Or bright blue

Weather, weather
What will it be
Is the sun out
Or will it rain on me

Twinkle, Twinkle Little Star

Twinkle, twinkle little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle little star,
How I wonder what you are.
